

Stadler Form®

Summer Nights

Warm summer evenings, soft lighting and subtle fragrances: Stadler Form's aroma diffusers create a relaxing atmosphere both indoors and outdoors. With their flame effect and essential oils, they create a cosy ambience late into the night and provide the perfect setting for relaxing moments with family and friends.

1

Naturally cosy

Nora creates a cosy atmosphere with a delicate mist of fragrance and her amber-coloured light. The sustainable bamboo casing also makes this elegant diffuser a stylish interior feature.

2

The scent of summer

The Repel fragrance oil ensures relaxing summer evenings on the balcony, terrace or in the garden. The combination of citronella and eucalyptus releases a pleasantly fresh scent while naturally helping to keep annoying insects away.

3

Lights on, everyday life off

The Sophie family combines an aroma diffuser and a lantern in one. With an elegant design, natural bamboo handle and atmospheric flickering flame, each of the three models creates moments of well-being both indoors and outdoors.
